

BUILDER APPLICATION

Please contact Andrew Disney (adisney@westbrookcompanies.com direct line: 817-326-7433) to initiate the builder application process.

The Architectural Control Committee (ACC) will review applications and notify applicants with a final decision via email.

Applicants must meet the following requirement to be considered by the ACC.

1. Company has been established for 3 years or more.
2. **Digital Portfolio** - via a single pdf - which must include the following
 - **Cover letter** introducing the company, a description of merit, contact info, and company website.
 - **Digital Photographs** of no less than 6 completed projects at or over \$200 per square foot. (Price per square foot = total value of improvements divided by the conditioned space) Please include address and subdivision for each completed project.
 - **Three customer references** - include customer's address, phone number, email address, and photos of completed project.

The Architectural Control Committee reserves the right to add or remove builders at its sole discretion.
